MEDICAL FOUNDATION

2025 – 2026 Colquitt Regional Corporate Partners Program

In 1988, the Colquitt Regional Medical Foundation was established to ensure healthcare excellence for future generations. As a not-for-profit community hospital, Colquitt Regional Medical Center faces many challenges and needs. Support from private citizens helps provide the newest medical technology, improve patient care, upgrade existing facilities, and furnish education and preventive health opportunities for the community. The Colquitt Regional Medical Foundation funds are used for accomplishing these goals — not for operating expenses

With the generosity of our donors, the Foundation has been essential in the construction of our hospital's expansion, the Vereen Rehabilitation Center, the Edwards Cancer Center, Cobb Community Chapel, and the Ameris Bank Medical Education Center. Funds have been established to benefit medical education, patient care, scholarships, and medical equipment needs.

Corporate Partners Events

Pink Out the Night Thursday, October 2, 2025

Come be part of an **unforgettable night with over 200 members of our community!** Our annual Pink Out the Night event will transform Downtown Moultrie into a vibrant pink celebration of fun and unity. Enjoy a lively walk around the square, special ladies' night deals from local businesses, pink ribbons, live music, and so much more - it's an event full of family-friendly excitement. But it's not just about the fun; it's also a meaningful opportunity to raise awareness and show support for breast cancer patients and survivors. This heartwarming event kicks off the holiday season with joy, love, and remembrance. **Lights and trees are dedicated in honor or memory of a cherished loved one**, and their names are celebrated that very night, shining brightly throughout the entire season. The garden has become a beloved holiday destination, where the spirit of giving and togetherness fills the air, creating memories that last long after the season ends!
