Edwards Cancer Center*

NOTE FROM CEO

2018 proved to be another remarkable year here at Colquitt Regional Medical Center. We saw significant growth and expansion in our staff, technology, campus and community at large. Last year, Colquitt Regional was proud to receive two more "A" safety ratings, welcomed a new class of residents at Georgia South, opened the Edwards Cancer Center and participated in the groundbreaking of the Philadelphia College of Osteopathic Medicine (PCOM).

Colquitt Regional's successes and accomplishments during 2018 wouldn't have been possible without our dedicated employees and community partnerships. Thank you to each person who contributed financially or gave generously of their time. Your benevolence allows us to remain a top healthcare provider in the state and continue advancing our hospital for future generations.

James J. Matney

After serving on the Colquitt Regional Medical Center Hospital Authority for six years, Maureen Yearta, Ed.D. has now taken over the reins as chairman of the Hospital Authority. She is the first female to serve in this role!

2018 HIGHLIGHTS

TECHNOLOGY: SAVI SCOUT

SAVI SCOUT, a new radar-based technology, was developed to make the surgical process easier and more comfortable for women, while helping surgeons remove problematic cells and spare as much breast tissue as possible. Colquitt Regional is the first hospital in the region to implement this system, which will help to reduce the cost of care, while providing better outcomes for healthcare providers and their patients.

8TH & 9TH "A" HEALTH RATING

Colquitt Regional earned its 8th and 9th consecutive "A" health ratings from The Leapfrog Group in 2018. Colquitt Regional was one of 15 hospitals in Georgia awarded an "A" for its efforts in protecting patients from harm and meeting the highest safety standards in the U.S. Much like a report card, the Safety Grade assigns grades to hospitals across the country based on their performance in preventing medical errors, infections and other harms among patients in their care.

GEORGIA SOUTH

In 2018, Colquitt Regional welcomed four new medical residents joining the Georgia South Family Medicine Residency Program. The Class of 2021 consists of Georgia natives Robert Jeter, M.D., Madison Lamar, D.O., and Giselle Pineiro, D.O., as well as Louisiana native, Kayla Batchelor, D.O.

EMPLOYEE OF THE YEAR

Leann Littleton, RN was named the 2018 Colquitt Regional Employee of the Year. Leann has been a part of our organization for 15 years and has spent the last eight with Colquitt Regional Home Care Services.

DAISY AWARD WINNERS

DAISY recipients are selected based on the following characteristics, including, but not limited to: established a special connection with a patient/family, shows empathy in all situations, is an outstanding role model for the nursing profession, and generating enthusiasm and energy towards meeting the challenges of nursing.

January 2018 – Maggie Moreno, RN, 4th floor

September 2018 – Carey Mullis, RN 4th floor

March 2018 – Jaycee Lott, RN, ICU

November 2018 – Kevin Brown, RN, ER

May 2018 – Kendale Zimmerman, RN, ER

2018 DAISY Team Award:

July 2018 – Jennifer Hamm, RN, OR

Hospice and Home Health Services

TOTAL JOINT PROGRAM RECERTIFICATION

Colquitt Regional earned The Joint Commission's Gold Seal of Approval® for Certification for Total Hip and Total Knee Replacement for the second consecutive certification period. This certification is for Joint Commission-accredited hospitals, critical access hospitals and ambulatory surgery centers seeking to elevate the quality, consistency and safety of their services and patient care.

EDWARDS CANCER CENTER OPENS!

Bill Edwards

During 2018, Colquitt Regional continued to expand services and improve patient experience within the hospital. After identifying the need for a new place to house the Oncology department, the vision for the Edwards Cancer Center came to life through the help of numerous volunteers, employees and community members.

To raise the funds needed for the new facility, a capital campaign was launched in 2016 with a goal of raising \$1.3 million by the end of 2017. To kick-start the campaign, the Colquitt Regional Medical Foundation received a signature donation from the Edwards family. The Edwards Cancer Center is named in honor of Bill Edwards who lost his battle with cancer in August 2015.

"Our family's desire in naming this oncology center in honor of my husband, Bill, is to give back to our community that we love so well. Our desire is, in some way, to ease the pain and the burden for those who may face such a time in their lives."

-Bonnie Edwards, wife of the late Bill Edwards

In addition to the signature donation from the Edwards family, the Colquitt Regional Volunteer Auxiliary gave a gift of \$100,000, along with a \$250,000 gift given by Colquitt Regional employee donors. Numerous local individuals and businesses donated as well and after years of planning, the Edwards Cancer Center opened its doors to patients in February 2018.

Formerly found on the third floor, the Oncology department now has an entire building that boasts spacious square-footage, top-notch technology, and exceptional physicians and nurses.

EDWARDS CANCER CENTER

"The Edwards Cancer Center is a state-of-the-art facility that we can be proud to offer our patients and community. With Dr. Aguirre at the helm, our patients can continue to experience exceptional care – right here at Colquitt Regional."
- Jim Matney, President & CEO

EDWARDS CANCER CENTER FEATURES:

ONCOLOGY
TREATMENTS
↑ 14%
SINCE OPENING
EDWARDS CANCER CENTER

- Private entry with direct access and convenient parking
- Spacious reception and lobby area
- Central nurses station with a view of patient areas
- Seven patient infusion bays with visitor seating
- Two isolation rooms for complete privacy
- Two exam rooms
- Conference Room/Resource Center for patient and family education

Roxana Aguirre, M.D.
Oncology / Hematology

Future plans for the Edwards Cancer Center include adding an additional oncologist, Dr. William Zhu, M.D., Ph.D., to the team in the summer of 2019.

WOMEN'S HEALTH

Sterling Physician Group cut the ribbon in April 2018 at Sterling Center Women's Health.

This brand new facility provides a full range of diagnostics, exams and treatments for women of all ages. From young adulthood to older years, the highly trained physicians at Sterling Center Women's Health offer innovative and comprehensive healthcare services designed to meet the unique needs of every woman.

Dr. Jim Small and Beth Bates, a Sterling patient

The new facility also allows for a number of on-site services like hormone replacement therapy, colposcopy, hysteroscopy and endometrial, cervical, vulva and breast biopsies.

"The new Sterling Center Women's Health building has been an excellent addition to Colquitt Regional. We are proud to offer these enhanced services to the people of Colquitt County and South Georgia."

- Jim Matney, Colquitt Regional CEO

Located right beside Colquitt Regional Medical Center, the new 9,000 sq. ft. building houses 13 exam rooms, two procedure rooms, two ultrasound rooms, an NST/Infusion suite and includes state-of-the-art technology such as 3D/4D ultrasound, 3D mammography and bone density testing, among others.

STERLING CENTER

WOMEN'S HEALTH

FOR WOMEN.
FOR LIFE.

The staff at Sterling Center Women's Health brings over 50 years of experience in caring for women. Pictured from left to right is Jessica Fields, NP-C, Jim Small, M.D., M.Ed., F.A.C.O.G., Linnea Mehls, M.D., and Michelle Holzman, CNM, APRN.

GEORGIA HEART
HOSPITAL PROGRAM
Helping Enhance Access to Rural Treatment

Colquitt Regional partnered with Georgia HEART Hospital Program to become eligible for participation in the Georgia Rural Hospital Tax Credit program. In 2018, over 200 donors exchanged their state income tax expense for a tax credit. Our hospital received over \$2.3 million in contributions. These funds helped complete the Edwards Cancer Center and provided aid to chemotherapy patients.

OVER 200 DONORS
GAVE TO THE EDWARDS CENTER
CAPITAL CAMPAIGN

The foundation netted over \$407,000 in donations during the fiscal year. \$288,203 were distributed to aid in community projects, and patient care.

\$19,500 was distributed in scholarship monies from the Kate Jeter Scholarship, the Diane and Jim Lowry Scholarship and the Jane and Sam Perry Scholarship funds. Established this year was the Anne and Monty Carlton Family Scholarship, designed to aid hospital employees return to school for greater education in healthcare services. The Colquitt Regional Trustee Scholarship is also awarded annually to a student in the healthcare field.

David Spence, RT (R,ARRT) was the recipient of the 2018 Walter E. Harrison, Jr. Humanitarian Award. This award was established to annually recognize an individual healthcare worker who demonstrates a commitment to compassionate health care service and community outreach, which was the guiding principle of Walter E. Harrison's medical career.

NEW IN 2019...

Hyperbaric Oxygen Therapy

Vereen Rehabilitation Center recently added hyperbaric oxygen therapy to the list of treatments provided in their Wound Care program. Hyperbaric oxygen chambers have been proven to speed up the healing process by using oxygen to stimulate angiogenesis, which is new blood vessel formation in tissue.

New Physicians

Colquitt Regional will be adding seven new physicians and four new medical residents to the staff in 2019.

Dr. Brad Krummert

Dr. Bo Edwards
Pediatrics

Pulmonary Rehabilitation

Sterling Group Pulmonology is now offering pulmonary rehabilitation, an exercise program that provides comprehensive care to COPD patients greater than 40 years of age. When referred to the program, patients will work with a team of healthcare professionals including a pulmonologist and a respiratory therapist.

In-patient Dialysis

Colquitt Regional has expanded the in-patient dialysis unit to accommodate for greater patient volume.

Gastric Bypass Now Available

Sterling Center Bariatrics currently offers a wide variety of bariatric procedures such as Orbera, Gastric Sleeve, Lap-Band, and Reshape. The newest service offered is Gastric Bypass.
