

**We know the beauty of a single light, but the brilliance of many lights shining together for a cause is unmatched!**

Colquitt Regional Medical Foundation annually creates a Love Light Garden of hope, love, and cheer outside the Hospital in the Kate Jeter Serenity Garden to remember loved ones while supporting health care needs within our community. Businesses or Families may sponsor a Love Light Tree in honor/memory of a loved one(s). All sponsors are invited to attend the Love Light ceremony and tree lighting on December 4th at 5:30 pm. Love Light trees will be prominently displayed through January 6th.
