ANNUAL
REPORT

2025

From the CEO

As we reflect on the past year at Colquitt Regional Health System, I am filled with gratitude and pride for the progress we have made together. Healthcare continues to evolve rapidly, and so do we — guided by our mission of exceptional healthcare and our vision to be the first choice for patients to seek care, for physicians to practice, for employees to work, and for students to learn.

This year marked significant momentum for our health system. We continue to strengthen our unified identity as Colquitt Regional Health System — an integrated network of services working together to provide comprehensive, high-quality care close to home. From primary care clinics and specialty services to advanced diagnostics and surgical innovation, our name reflects the breadth and depth of care available right here in our community.

One of the most transformational initiatives in our history is the planned construction of our new patient tower, which will be named the Hufstetler Tower in recognition of the extraordinary generosity of Steve and Teresa Hufstetler. This major expansion will increase our licensed bed capacity from 99 to 155 beds and significantly enhance our ability to serve a growing region.

The Hufstetler Tower represents more than bricks and mortar — it is a bold investment in access, capacity, and the future of healthcare in Colquitt County and beyond. We look forward to sharing updates as this exciting project moves forward in the months ahead.

In addition to expanding our vision for the future, we have expanded our clinical capabilities with leading-edge technology designed to continue improving outcomes and enhance the patient experience. This year, we introduced Blue Light Photodynamic Therapy for targeted dermatologic treatment; the Paxman Scalp Cooling System to help reduce hair loss during chemotherapy; and the da Vinci 5[®] robotic surgical system, advancing minimally invasive surgical precision. We also added the Vibwife Birth Platform to support maternal care; the Siemens Biograph Vision™ PET/CT scanner to strengthen diagnostic imaging; Transcranial Magnetic Stimulation (TMS) for treatment-resistant depression; Aquablation® therapy for the treatment of BPH; and the HYDROS™ Robotic System to further expand surgical innovation. Each of these investments reflects our commitment to ensuring patients have access to advanced care without leaving home.

Our dedication to excellence continues to be recognized at the highest levels. In 2025, we earned our 20th and 21st “A” Hospital Safety Grades from The Leapfrog Group, underscoring our long-standing commitment to patient safety. We were honored with ANCC Pathway to Excellence® Redesignation, affirming our positive nursing practice environment and dedication to supporting our clinical teams.

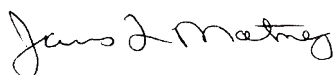

Additionally, Georgia Hospital Association presented Colquitt Regional with two prestigious Patient Safety and Quality Awards, recognizing our measurable improvements in care delivery. Our stroke program also received two American Heart Association Get With The Guidelines® achievement awards — the Get With The Guidelines®-Stroke Gold Plus award and the Get With The Guidelines®-Rural Stroke Bronze award — demonstrating our strong commitment to following research-based guidelines and improving outcomes for patients experiencing stroke.

These recognitions validate what we already know: exceptional care happens here every day. Behind every milestone, every innovation, and every award stands our team — more than 1,700 employees and over 120 medical staff members who serve with compassion, expertise, and dedication. They are the heart of our health system. Their commitment ensures that when patients walk through our doors, they receive not only advanced medicine, but also kindness, dignity, and hope.

As President and CEO, it is my privilege to witness the extraordinary work taking place across our organization. From groundbreaking technology and forward-looking expansion to national recognitions and everyday moments of healing, we are building something truly remarkable together.

Thank you for your continued trust, support, and partnership. The future of healthcare in our region is bright, and with the Hufstetler Tower on the horizon and our health system growing stronger each year, we remain steadfast in our promise to provide exceptional care — today and for generations to come.

Thank you for your continued encouragement.

James L. Matney
President and CEO
Colquitt Regional Medical Center

MISSION

We are committed to providing exceptional healthcare that exceeds expectations.

VISION

Colquitt Regional Health System will be the first choice for quality and compassionate healthcare, innovative practice, and superior medical education.

Celebrating 18 Years of Service

For 18 years, Howard L. Melton, MD, FACS, FASMB faithfully served on the Colquitt County Hospital Authority, contributing his leadership, insight, and steadfast commitment to the advancement of healthcare in our community. Since joining the board in 2007, Dr. Melton has played an important role in helping guide Colquitt Regional's continued growth and expansion of services for patients across the region. His fellow board members and the leadership team at Colquitt Regional are deeply grateful for his years of dedicated service and were honored to recognize him at a reception in his honor in October.

Technology & Advancements

Innovation Unlocked: Advancing Clinical Excellence

At Colquitt Regional Health System, innovation is not simply about acquiring new equipment – it is about strengthening access, improving outcomes, and elevating the patient experience across every service line. Over the past year, we have made meaningful investments in advanced technology, clinical training, physician education, and infrastructure to ensure our region continues to benefit from leading-edge healthcare close to home.

Advancing Cancer Care & Diagnostic Precision

Diagnostic imaging capabilities were significantly enhanced with the acquisition of the Siemens Biograph Vision™ PET/CT scanner. This state-of-the-art technology offers greater image clarity and improved detection capabilities, supporting earlier diagnosis, more precise treatment planning, and improved monitoring of cancer and other complex conditions. The addition strengthens our ability to deliver sophisticated diagnostic services locally, reducing the need for patients to travel outside the region for advanced imaging.

The Edwards Cancer Center also expanded its comprehensive oncology services with the addition of the Paxman Scalp Cooling System. This advanced technology helps reduce chemotherapy-related hair loss, allowing patients to maintain a sense of normalcy and confidence during treatment. By focusing not only on clinical outcomes but also on quality of life, the Cancer Center continues to provide compassionate, patient-centered care.

Elevating Surgical & Behavioral Health Services

Surgical services reached a new level of innovation with the introduction of the da Vinci 5® robotic surgical system. This next-generation robotic platform enhances visualization, precision, and surgeon control, allowing for more minimally invasive procedures across multiple specialties. For patients, this translates to smaller incisions, reduced pain, shorter hospital stays, and faster recovery times.

In behavioral health, Sterling Group Psychiatry expanded treatment options with the addition of Transcranial Magnetic Stimulation (TMS). This non-invasive, FDA-cleared therapy provides new hope for individuals experiencing treatment-resistant depression. By offering advanced mental health treatment options locally, Colquitt Regional continues to address both the physical and emotional well-being of the communities we serve.

Technology & Advancements (cont.)

Strengthening Education & Workforce Development

As a growing health system, we recognize that innovation also depends on investing in people. This year, Colquitt Regional partnered with Wellstar Health System to expand training opportunities for women's health physicians with a rural track residency program. This collaboration strengthens the pipeline of OB/GYN providers serving rural Georgia and reinforces our commitment to supporting the next generation of physicians.

Colquitt Regional also hosted a statewide simulation training event for Georgia health educators, bringing clinical leaders together for advanced, hands-on instruction. By serving as a regional hub for simulation-based education, we continue to enhance clinical competency, patient safety, and workforce readiness throughout the state.

To further support recruitment and medical education, plans were announced for a new medical housing facility. This dedicated space will accommodate visiting students, residents, and providers, enhancing our ability to attract and retain top-tier talent while fostering an environment of learning and professional growth.

Expanding Infrastructure & Emergency Response

This year, Colquitt Regional Health System celebrated the ribbon cutting of a new Emergency Medical Services location, enhancing operational efficiency and strengthening emergency response capabilities throughout the region. This expansion supports faster deployment, improved coordination, and continued readiness to serve patients when and where they need care most.

The addition of the EMS facility reflects Colquitt Regional's broader commitment to investing in the infrastructure needed to support a growing region. As services continue to expand, the health system remains focused on improving access to care, strengthening emergency preparedness, and delivering high-quality healthcare for generations to come.

Enhancing Care for Children and New Mothers

Colquitt Regional continued to invest in specialized patient care with the naming of the Mobley Pediatric Center and the introduction of innovative birthing technology designed to improve maternal and infant outcomes. The newly named pediatric unit recognizes the Mobley family's longstanding support and commitment to pediatric healthcare, while Labor & Delivery became among the first in Georgia to implement advanced neonatal technology that enhances newborn stabilization and supports family-centered care immediately after birth.

Together, these advancements reflect a strategic commitment to expanding services, strengthening clinical excellence, and ensuring that patients throughout South Georgia have access to high-quality, innovative healthcare. From groundbreaking diagnostic tools and surgical robotics to expanded physician training and infrastructure growth, Colquitt Regional Health System continues to build a stronger, more connected future for healthcare — right here at home.

New Providers

Colquitt Regional Health System continues to strengthen access to specialty care through the addition of new medical staff across multiple service lines. These providers expand patient access to specialized services while supporting the organization's ongoing commitment to delivering high-quality, compassionate care close to home.

New Residents

— Unlocking the Future of Medicine —

Georgia South Graduate Medical Education welcomed its tenth class of Family Medicine residents and fourth class of Psychiatry residents during the annual Residents Celebration held at the Ameris Bank Medical Education Center. Incoming Family Medicine residents included Allyson Pel, DO, David Green, MD, Melissa Joseph, MD, and Dylan Patel, MD. New psychiatry residents included Mailyn Cruz, DO, Sami Khan, MD and Caleb Rowan, MD.

Since launching the Family Medicine Residency Program in 2016 and the Psychiatry Residency Program in 2019, Georgia South has remained committed to addressing physician shortages and expanding access to care throughout rural South Georgia. Residents from across the country join Colquitt Regional as part of the health system's continued investment in medical education and the future of healthcare in the region. The celebration also included a traditional white coat ceremony and the recognition of outstanding physician educators selected by current residents for their commitment to teaching and mentorship.

Hospital Awards & Recognition

Health System Awards & Recognition

— Exceptional by Every Measure —

Excellence in Nursing & Workplace Culture

Colquitt Regional was redesignated with the prestigious Pathway to Excellence® credential, recognizing a positive and empowering practice environment for nurses. This distinction highlights the organization's dedication to professional development, collaboration, and high-quality patient care. Additionally, Colquitt Regional Medical Center ranked among the **Top 5% of hospitals nationally for employee satisfaction**, reinforcing a culture where team members feel supported, engaged and motivated to provide outstanding service.

State Recognition for Patient Safety & Quality

Colquitt Regional received multiple awards from the Georgia Hospital Association, including two Patient Safety and Quality awards, recognizing excellence in patient safety and quality improvement initiatives. These honors reflect the organization's ongoing efforts to enhance clinical processes, reduce risk, and ensure the highest standards of care for every patient.

National Leadership in Patient Safety

Colquitt Regional continued its exceptional track record with its **20th and 21st "A" Hospital Safety Grades** from The Leapfrog Group. This distinction places Colquitt Regional among a select group of hospitals nationwide recognized for sustained excellence in protecting patients from harm. Further underscoring this commitment, the system was named among hospitals with the lowest MRSA infection rates in the nation, demonstrating the effectiveness of its infection prevention and control practices.

Colquitt Regional Health System continues to earn state and national recognition for excellence in patient care, workplace culture, and clinical outcomes. These achievements reflect a steadfast commitment to safety, quality, and delivering exceptional care to the community.

Clinical Excellence & Specialized Care Recognition

Colquitt Regional earned national recognition for its stroke care program, highlighting its ability to deliver timely, evidence-based treatment that improves outcomes for patients experiencing stroke. In addition, the Edwards Cancer Center achieved national accreditation from the American College of Surgeons Commission on Cancer, a distinction that reflects a comprehensive, multidisciplinary approach to high-quality cancer care.

National Recognition for Excellence in Community Healthcare

In 2025, Colquitt Regional Health System was recognized as one of the top 100 community hospitals in the nation, earning a place on Becker's Healthcare's "Great Community Hospitals" list. The recognition highlights hospitals that provide accessible, affordable, and high-quality care while serving as trusted healthcare anchors in their communities. Becker's recognized Colquitt Regional for its commitment to patient safety, clinical quality, innovation, and investments in advanced technology, as well as its focus on expanding access to healthcare and physician training in rural South Georgia. This national distinction reflects Colquitt Regional's ongoing mission to deliver exceptional care close to home while continually investing in the future of healthcare for the communities it serves.

Leadership Awards & Recognition

Strong leadership remains at the core of Colquitt Regional Health System's continued success. Over the past year, several leaders were recognized at the state and national levels for their vision, service, and commitment to advancing rural healthcare.

.....

National Recognition for Executive Leadership

President and CEO **Jim Matney** was named to **Becker's Healthcare's 2025 national list of top community hospital presidents and CEOs**, highlighting his transformative leadership and impact on healthcare delivery in the region. Under his direction, Colquitt Regional has experienced significant growth, including expanding its workforce and strengthening access to high-quality care for the communities it serves.

Distinguished Service in Healthcare Leadership

Dr. Maureen Yearta, Hospital Authority of Colquitt County trustee, received the **Georgia Hospital Association's prestigious Distinguished Service Award** — one of the organization's highest honors. She was recognized for her longstanding commitment to improving healthcare access, her advocacy for rural health initiatives, and her leadership in shaping the strategic vision of the health system. Her efforts at both the local and state levels have had a lasting impact on patients and the broader community.

Excellence in Operational Leadership

Megan Ford, Director of Revenue Cycle, was named **2025 Revenue Cycle Leader of the Year** by HomeTown Health. This award recognizes outstanding leadership, innovation, and commitment to excellence in hospital financial operations. Ford's work has strengthened revenue cycle processes, improved patient access services, and fostered a culture of collaboration and professional growth across her teams—demonstrating the critical role operational leadership plays in supporting patient care.

Awards & Recognition

Exceptional Generosity. Extraordinary Impact.

Pictured from left: Michael Harrison and Regina Dismuke

HUMANITARIAN OF THE YEAR

Regina Dismuke

This award, established in memory of the late Dr. Walter E. Harrison, Jr., recognizes a healthcare professional who exemplifies compassion, service, and a commitment to improving the lives of others—principles that defined Dr. Harrison's life and work. Since its creation in 2012, the Humanitarian Award has honored individuals who demonstrate exceptional dedication both within the hospital and throughout the community.

Dismuke's career has been devoted to protecting and uplifting the most vulnerable. She spent 20 years with Colquitt County Department of Family & Children Services, serving in roles ranging from investigator and child protective services specialist to supervisor. In 2018, she became Executive Director of Hero House, where she has continued her mission by providing vital services to abused children and women. Her work includes conducting forensic interviews, coordinating therapy, supporting families, and establishing the SANE Center to ensure victims can receive timely, compassionate care close to home.

Her reach extends beyond her leadership role. Dismuke collaborates regularly with Serenity House, Hope House, United Way, law enforcement, and the District Attorney's Office to ensure children in Colquitt County receive protection and support.

VOLUNTEER HOURS

VOLUNTEER OF THE YEAR

James Phillips

James Phillips exemplifies the spirit of service at Colquitt Regional Health System. Since beginning his volunteer service in July 2019, he has dedicated nearly 2,000 hours to supporting our hospital and those we serve.

Consistently going above and beyond what is required, James is widely recognized as hardworking, dependable, and always willing to help patients, families, caregivers, and staff. His contributions are vital to our organization, with service spanning the Pharmacy, SDC, and numerous committees. James's commitment and generosity of time make a meaningful difference every day, and we are proud to recognize him as our 2025 Volunteer of the Year.

FOUNDATION SCHOLARSHIPS AWARDED

WAYS TO GIVE

Investing in Health. Strengthening Our Community.

One of the reasons Colquitt Regional Health System can provide so many quality healthcare services is because of the charitable support we receive. Your gift helps ensure exceptional care today and for generations to come.

GIFTS OF REMEMBRANCE

Donors may wish to designate any size contribution to a specific area/program of our healthcare system and give it in honor or memory of a loved one. Gift acknowledgments are sent to the individual or family you wish to remember. Programs at Colquitt Regional Medical Center benefiting from designated contributions are:

- Greatest Need
- Hufstetler Heart Center
- Chaplain Inpatient Care
- Edwards Cancer Center
- Hospice Care
- Children's Pediatric / Nursery
- Dialysis Patient Care

If a gift is not designated to a program, then the gift benefits our current campaign, greatest need, or is generalized and benefits the hospital through its priority mission of upgrading existing facilities and equipment and providing preventative health for the community. All gifts to the Colquitt Regional Medical Foundation are tax-deductible.

COMMEMORATIVE GIFTS

We offer commemorative gifts, subject to availability. We have several unique opportunities for a meaningful and lasting way to demonstrate your heartfelt expression of gratitude to someone like a doctor, nurse, friend, or relative.

- | | |
|-------------------------------|----------------|
| • Legacy of Love for Children | \$5,000 |
| • Serenity Garden Bench | \$2,500 |
| • Art on the Wall | \$500 |
| • Serenity Garden Brick Paver | \$100 |

PLANNED GIFTS

Planned gifts empower you to leave a legacy behind to support Colquitt Regional.

By designating life insurance or naming Colquitt Regional Medical Foundation as a beneficiary in your estate plan, you are making a gift to our Foundation that will have benefits now and after your death. We can help you with your legacy planning.

The Georgia HEART Rural Tax Credit Program

The Georgia HEART Program is a remarkable and effective way for Georgia taxpayers to direct their state tax dollars to Colquitt Regional Health System.

Your contribution supports the mission of Colquitt Regional Medical Center and may qualify for a 100% Georgia income tax credit.

Learn more about how your gift can double its impact at

www.georgiaheart.org

ANNUAL CORPORATE PARTNERS PROGRAM

We have 3-4 annual events and need the support of business sponsorships. Sponsors get benefits as well as recognition at each event hosted and on our social media outlets. Please ask for the options available.

GIVING LEVELS

Your generosity makes exceptional healthcare possible. These societies and giving levels recognize those who invest in the future of Colquitt Regional Health System.

1939 SOCIETY ANNUAL GIVING CLUB

1939 is the year our local community came together to fund the first public hospital in Colquitt County. Your generous annual gift to the Foundation of \$250 – \$5,000 welcomes you as a member of our 1939 Society Annual Giving Club and recognizes you on our donor wall in our lobby as an annual supporter.

CORPORATE GIVING • BUSINESS PARTNERS

A strong healthcare system is vital to a community for attracting industry and valuable employees for your business. Supporting the hospital is a way to help your community and to ensure quality services are available close to home for your employees.

Your generous gift of \$10,000 or more recognizes your business as a lifetime Business Partner, and you will be invited to exclusive events hosted by the hospital. Your gift may be paid in a one-time donation or over three years.

Once you become a Business Partner, your gifts accumulate toward higher recognition levels.

- Legacy Business Partner \$250,000+
- Founding Business Partner \$100,000
- Key Business Partner \$50,000
- Sustaining Business Partner \$25,000
- Business Partner \$10,000

FOUNDER'S SOCIETY

These donors choose by their generous commitment to support and improve the healthcare services in our region and want to help assure the citizens' access to exceptional healthcare. These individuals become members of our Founder's Society and are invited to exclusive celebrations and other events hosted by the hospital. Your donation may be paid in a one-time gift or over three years and will be recognized for a lifetime.

Once you become a Founder, your gifts accumulate toward higher recognition levels.

- Legacy Member \$250,000+
- Founding Pillar \$100,000
- Key Founder \$50,000
- Sustaining Founder \$25,000
- Founder \$10,000

SIGNATURE GIFTS • NAMING OPPORTUNITIES

Signature naming gifts make a lasting impact on the types of services available at Colquitt Regional Medical Center. Signature donors may choose from a list of naming opportunities to name equipment, patient rooms, facilities, or scholarships with a \$100,000 endowment.

This is an excellent way to memorialize an individual or family name by establishing a permanent connection between that individual/family and Colquitt Regional Medical Center.

Naming opportunities begin at \$50,000, payable over five years.

The Colquitt Regional volunteers, present president and CEO, Jim Matney with a generous donation.

Founders Society

These donors chose, by their generous commitment, to support and improve healthcare services in our region and want to help assure citizens have access to exceptional healthcare. Members of the Founder's Society donated \$10,000 or more in a one-time gift or a paid pledge over three years. This is lifetime recognition, and gifts accumulate toward higher giving levels.

The Georgia HEART Tax Credit Program

Georgia offers a unique opportunity for citizens to impact rural healthcare by using state income tax dollars to support eligible rural hospitals through the Georgia HEART Hospital Program. This program helps enhance access to rural treatment, improving healthcare services for thousands of Georgians.

In 2025, Colquitt Regional Medical Center received \$4 million from the Georgia Rural Hospital Tax Credit Program. This support came from 240 Georgia taxpayers who chose to allocate their state income tax payments to our hospital. In return, they received a dollar-for-dollar state income tax credit on their tax returns.

Thanks to the Georgia HEART program, Colquitt Regional completed several vital projects, including the Edwards Cancer Center, Radiation Oncology Unit, new in-patient Behavioral Health Unit, and the Ameris Bank Medical Education Center. Future tax credit dollars will be used towards the construction of a four-floor medical tower. The tower will increase bed capacity from 99 to 155, expand the maternal infant unit, surgery services, and ICU.

This program allows tax dollars to do more than fulfill an obligation; it can save lives. We appreciate every taxpayer who invested in the future of rural healthcare.

REACHING NEW HEIGHTS IN HEALTHCARE

A CAMPAIGN FOR THE COMMUNITY

You can make a difference in this transformative project.

Colquitt Regional Health System is growing to meet the needs of our community today and for generations to come. This transformative expansion will enhance patient care, increase access to vital services, and create new opportunities for health and economic growth across our region.

Together, we can build a healthier tomorrow.
Together, we can reach new heights.

PROJECT HIGHLIGHTS

- 55 beds
- State of the Art Maternal Infant Unit
- Expanded Surgery Services
- Expanded ICU and Telemetry
- 35 New Physicians
- 490 Employment Opportunities

Moments That Brought Our Community Together

Wild About Colquitt Regional

Wild About Colquitt Regional brought hospital employees and their families together for an evening of fun, fellowship, and appreciation at Wild Adventures Theme Park. The event gave team members a chance to relax, celebrate, and share a memorable experience with the people who support them every day. It was a joyful reminder of the strong sense of community that makes Colquitt Regional such a special place to work and serve.

Hospital Week

Celebrating the heart of healthcare - our incredible team. Thank you for all you do, every single day.

Pink Out the Night

A powerful evening of awareness, support, and unity in the fight against breast cancer.

Morning at the Movies

Lights, camera, community! Families enjoyed a fun morning together with smiles all around.

Trunk or Treat

A safe and spooky good time for our communities, little ghouls and goblins!
