- After your first year of service at Colquitt Regional, the hospital will pay up to \$30,000 in reimbursement for student loans either directly to you or to your loan company.
- For each \$30,000 reimbursed, the physician is obligated to 2 years of service to the community.
- Forgiveness periods may overlap, but the last \$30,000 reimbursement would require 2 years of service.
- Treble damages will be imposed for any unforgiven amount.
- Colquitt Regional is committed to forgiving 1/24 of each \$30,000 for each month of service.
